This event will require signing up in the clubhouse as specified in the flyer.

Anthony Lananna

Gratitude is the inward feeling of kindness received.
Thankfulness is the natural impulse to express that feeling.
Thanksgiving is the following of that impulse.

BE THANKFUL

Be thankful that you don't already have everything you desire.
If you did, what would there be to look forward to?

Be thankful when you don't know something, for it gives you the opportunity to learn.

Be thankful for the difficult times. During those times you grow.

Be thankful for your limitations, because they give you opportunities for improvement.

Be thankful for each new challenge, because it will build your strength and character.

Be thankful for your mistakes. They will teach you valuable lessons.

Be thankful when you're tired and weary, because it means you've made a difference.

It's easy to be thankful for the good things. A life of rich fulfillment comes to those who are also thankful for the setbacks.

Gratitude can turn a negative into a positive. Find a way to be thankful for your troubles, and they can become your blessings.

AMERICA'S MOMS
FOR SOLDIERS

America's Moms For Soldiers sends monthly care packages to Soldiers, Marines and Airmen serving in Iraq and Afghanistan who receive little or no mail from home. Many of the servicemen and women we support are assigned to Forward Operating Bases or Outposts where they do not have access to basic items such as snacks, hygiene supplies, and personal health articles as well as a variety of treats. We work directly with Chaplains and Commanders to coordinate our efforts to provide support to those who do not receive care packages from home.

There is a box in the Clubhouse for your donations. There are also flyers in the Clubhouse that provide specific details on the supplies that are needed. If you have any questions, please call Ginger at (954-854-4754) between 1 PM and 6 PM.

Thank You for Your Support

I'll Show You A Volunteer author unknown

Show me a person who spends endless hours in training without pay,
And, I'll show you a volunteer.

Show me a person where a cry for help brings split-second dispatch,
And, I'll show you a volunteer.

Show me a person who is devastated when lives are lost or maimed,
And, I'll show you a volunteer.

Show me a person who is graciously welcomed as a next-door neighbor,
And, I'll show you a volunteer.

Show me a person who takes ridicule more than compliments,
And, I'll show you a volunteer.

Show me a person whose car is garaged with the grille facing out,
And, I'll show you a volunteer.

Show me a person who sacrifices home life, TV... even tender moments,
And, I'll show you a volunteer.

Show me a person visibly moved at the strains of our National Anthem,
And, I'll show you a volunteer.

Show me a person who may be asked to give more than just dedication,
And, I'll show you a volunteer.

Show me a person who is asked to give more... and more... and more,
And, I'll show you a volunteer.
