## **IMPORTANT INFORMATION FOR HOMEOWNERS**

**All** residents must be registered with Office !!

Remind all visitors that speed limit is 15 MPH We do not have sidewalks so please be aware of your surroundings Walkers expect you to stop at stop signs..

If you see something suspicious say something, write it down or take picture with phone send to Office... We need volunteers for Neighborhood Watch, 1hour of your day or evening to walk, ride or whatever through park and report any suspicious activity.

Anything serious call Police Non emergency #954-973-6700

Also if you feed ducks please DO NOT FEED BREAD. It gets moldy inside them and kills them their diet is corn or oats, scratch feed . We must also remember that this is their home we only reside in it, they were here first all the wildlife, please be more tolerant of them...

Be kind to one another, it takes more energy to be nasty or unkind .

Thank you to all my contributors and remember the 10th of every month is Cutoff so I can put together and send by 15th

**To all new Community Members who are on Facebook we have our own page for residents go to groups and look for Deerfield lakeMFH and fill out questions about residency You will see all goings on in Community. Also we have HOA site as well [deerfieldlakehoa.org](http://deerfieldlakehoa.org)**

# FLAG DAY

★  
JUNE 14

THE FLAG RESOLUTION  
OF 1777

## THANK YOU

I want to thank Deb Henson for being there when I needed help with “Windows” I am an Apple person . I learned right Clicking ,Yeah !!! She also helped with additions and proof reading and I am so grateful . This is a community and we should all work together to the greater good... Thank You Deb XOXO.

thank you

## HAPPY 102ND BIRTHDAY

Last night I attended a Birthday party For our Oldest resident OLGA who was 102 yesterday May 12th. Robert and Danny Hosted in their lovely home and we all got to spend time with Olga and each other.

## DID YOU KNOW ?

Coconut Creek has one of the largest Butterfly Pavilions In the world?

The Monarch and all butterflies start as tiny eggs the size of a pin that female butterflies lay on leaves in tiny clusters. Stage 2 is the larva almost all insects go through larval stages.... Step 3 is the Pupa which is also the Chrysalis and is a sea-foam green an color with tiny gold spots along the edge.

Soon it will transform into a beautiful butterfly which has brilliant colored wings of orange and black borders and veins with white spots along the edges.

The important thing to know is that they are endangered, so if you would like to be a part of helping them populate just get a few Milkweed plants which are main food source of Monarch and you will be amazed at the beauty in your garden.

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,  
The Florida Anchor & Barrier Team
