## ATTENTION

I just have a comment to make and I hope people heed advice. If we do not have an HOA to advocate for us we will be in a bad place. They can raise our rents and other things at will if we do not have representation.

I would like to ask that our community come together for HOA meetings. We have productive meetings now with new board and they are working very hard for us and remember they are NOT getting PAID to do so. Come out for the next meeting on December 5th. I do not think you will be disappointed. HOA December 5th 7pm

## LOTTO

*By Frank Cammallerie*

I walked into my lotto store today  
To play the game I like to play  
I said Hey Nick give me a quick pick  
paid him a buck hoping to change my luck  
I rushed home that night in order to see  
The lotto drawing on tv  
The numbers came out one at a time  
I looked at the ticket they all matched mine  
I jumped off the chair yelled in the air  
I am now a millionaire  
I found it hard to get some sleep  
worrying about how much money I'd get to keep  
But when I got up the next day  
To my dismay I have forgot to play lotto that day  
With no ticket to redeem I realize all this was a dream  
so I got out of bed to the lotto store I sped  
I asked big Nick for another quick pick  
Hoping today I can find a way out of the blue  
To make my Next lotto dream come true

I feel that we are all Lighthouses,  
And my job is to shine my light as  
Brightly as I can to the darkness.

## LIBRARY NEWS

We have a wonderful lending library thanks to the generosity of our neighbors donating books to the library. Due to space constraints we cannot accept books with a copyright date prior to 2011. Please check the copyright before donating. A gentle reminder to not place any books on the shelves, but to place them in the book bin next to the cabinet. Beside books, inside the white cabinet, and in the filing cabinet, we have games and puzzles that can be borrowed as well. We have more jig saw puzzles than we can store, so please, do not donate any more and if you borrow any, keep them and pass them along elsewhere. We have a shelf of large print books on the top shelf where the paperbacks are kept. There is also a section of non-fiction books on the bottom shelf where the paperback books are kept. All other books are separated by hard cover and paperback, arranged alphabetically by author. Collections for some authors are kept separately, such as Patterson, Baldacci and a few others. Please take advantage of our lending library and remember, these books have been donated by your neighbors for everyone's enjoyment, make sure you return them when you have finished reading. We do not accept donations of periodicals or magazines to our library, they will only be discarded if left. Thank you all for your cooperation.

## DID YOU KNOW ??

*By Paulette Kramer*

Even though we do live here In Sunny Florida we can still celebrate the most wonderful time of the year. Being from Long Island NYI do miss the type of Christmas we had up there but after being here for 20 some odd years I have found a way to bring that feeling of Christmas to my home.

With decking the halls, dressing a tree or two mistletoes hanging for those smooches, pine wreaths on your door to welcome friends, Baking those homemade treats burning fragrant wintery candles and on and on.

I have harnessed that special time to share the love with those around me. I will always remember as we put up the evergreen tree the one who's birth we "celebrate" .and how that tree once held that for all of us. May you all

Have a" Merry Christmas" Big or small that doesn't matter its all about the Joy and Goodwill Toward Men." God Bless You everyone"
